

INTERNATIONAL MINISTRY APPLICATION FORM

Thank you for your interest in inviting From His Fullness Ministries to your country. We welcome invitations to minister internationally since we desire is to serve the church globally, particularly by biblical exposition, theological education, training in church leadership, and by ministry to women.

We are open to new friendships and global partnerships, but give priority to those church or ministry applicants which are:

- Classically Protestant, self-consciously evangelical, and confessionally Reformed (or wanting to learn more of the faith of the Reformed).
- Known first- or second-hand to us, or who can be verified by a compelling website or reliable references.
- Willing to agree upfront to a sharing of the costs of the ministry. We are mindful of local constraints and are not unreasonable in discussing these, but believe that:
 - A. Our service to the global church includes the encouragement of the financial independency of the local church.
 - B. The ministry From His Fullness offers is most needed or desired where there is a readiness to make a contribution toward it.

If, having read of these priorities, you feel able to invite From His Fullness Ministries, we request that the appropriate representative of your church or ministry fill out the following application form and sign it (preferably with a hand signature). Please return the form to fromhisfullness@mail.com. (Completed forms with hand signatures will need to be scanned back to us.)

While the application does not guarantee From His Fullness' visit to you, your answers will help us to gauge the best stewardship of the time and resources the Lord has given us and will aid your ministry and ours in weighing what is involved in planning a ministry trip. At the very least, your answers will help us to become aware of you, with a view to praying for your work and for the spread of the gospel and the strengthening of the church in your land. As a courtesy for your time, we shall add your email address to the distribution list of our free outreach publication *The Way*.

Thank you for your time in filling out the following.

Name of your church or ministry:

Email Address and website:

How did you hear of From His Fullness Ministries?

What is the theological position of your church or ministry?

What is your congregational or denominational affiliation?

Is your church or ministry a member of any other parachurch organization?

When are you thinking of enlisting the services of From His Fullness?

What initial ideas do you have for the service of From His Fullness?

- **Format (sermons, lectures, seminars):**
- **Desired themes or subjects:**
- **Anything else?**

What finances are you willing to commit to the hosting of a visit by From His Fullness? Please answer as realistically as you can since From His Fullness does not promise to meet any costs not budgeted beforehand.

- **Flight?**
- **Accommodation?**
- **Conference or course costs (e.g., property rental, supplies)?**
- **Pastors'/attendees' costs (e.g., travel, accommodation, and meals)?**
- **Any other?**

What ideas do you have for raising the finances you commit to covering?

What attendance can you reasonably expect at the events envisioned? Please err on the side of caution since experience teaches us that the absence of financial support for travel and meals can markedly reduce attendance. Please state how much of the envisioned attendance is dependent on financial support.

What efforts will you be making to ensure timely and consistent attendance by the attendees? From His Fullness makes every effort to ensure thorough preparation for the agreed ministry and thus reserves the right, for the sake of stewardship of time, to cancel an engagement on the spot in the event of apathetic attendance (i.e., attendance markedly below estimated levels and turning up sufficiently late as to impact the completion of the agreed schedule of teaching).

What plans do you have for follow-up from the ministry provided?

Are there other expectations you have of From His Fullness Ministries in connection with the ministry in view?

Signed:
